Potosi, MO – February 20, 2025 – The Potosi R-3 School District is pleased to announce the hiring of Mark Casey as the new Head Coach for the Potosi High School Varsity Football team. A proud 1991 graduate of Potosi High School, Coach Casey brings a wealth of experience, dedication, and a deep connection to the Potosi community to this role.

With over 21 years in education and 24 years of coaching experience, Coach Casey is a seasoned professional who has built a reputation for leadership and success. His deep-rooted ties to Potosi, having played football for Potosi High School, make this role particularly special for him.

Coach Casey most recently served as an assistant coach for the State Champion Central Rebels, where he was a key part of the team's success. His experience with top-tier programs, combined with his passion for the game, makes him an ideal fit to lead the Potosi High School football program into a new era of success.

"We are thrilled to welcome back one of our own to lead the Potosi High School football program," said Potosi R-3 Superintendent Alex McCaul. "His wealth of coaching experience, his history with the school, and his commitment to the growth and development of our student-athletes make him the perfect fit for this important role. We look forward to the exciting future he will build for our football team."

Throughout his coaching career, Coach Casey has demonstrated a commitment to developing student-athletes both on and off the field. His coaching philosophy emphasizes teamwork, discipline, and personal growth, all while striving to foster a positive and inclusive team culture.

"I am extremely excited to return to my alma mater and take on the responsibility of leading the Potosi High School football program," said Coach Mark Casey. "This community and this school mean so much to me, and I look forward to working with the student-athletes, staff, and the entire Potosi community to build something special."

Coach Casey's appointment marks a new chapter in the Potosi High School football program's history, and the district is confident that his leadership will continue to inspire and elevate the team in the years ahead.
