Potosi R-3 School District Announces Promotion of Mrs. Kimberly Greenlee to Assistant Principal at John Evans Middle School

POTOSI, MO – April 16, 2025 - The Potosi R-3 School District is pleased to announce the promotion of Mrs. Kim Greenlee to the position of Assistant Principal at John Evans Middle School, effective for the 2025–2026 school year.

A 1999 graduate of Potosi High School and a lifelong resident of Washington County, Mrs. Greenlee has dedicated her career to the students and families of this community. She has served the district faithfully for 20 years, both as a classroom teacher and most recently as a Title I Instructor at Trojan Intermediate School.

“Mrs. Greenlee brings a wealth of experience, a deep connection to our community, and a passion for student success that aligns perfectly with the educational philosophy of Potosi R-3,” said Alex McCaul, Superintendent of Schools. “Her leadership, commitment, and love for our students make her an outstanding choice for this new role.”

Mrs. Greenlee's transition to the assistant principal role marks an exciting new chapter for both her and John Evans Middle School. She will be working closely with staff, students, and families to continue fostering a safe, inclusive, and academically challenging environment.

“It is an honor to accept the role as Assistant Principal at JEMS. I am looking forward to supporting Mr. Thurmond and collaborating with our staff for the well-being and education of our students. I am excited for this new role and I am ready to do what it takes for students, educators, and staff to be happy at school, to be safe at school, and most importantly want to come back to school the next day,” said Mrs. Greenlee. “We have a bright future ahead of us at JEMS. Thank you Potosi R-3 Administration and School Board for your trust in me.”

Please join us in congratulating Mrs. Greenlee on her well-earned promotion. We look forward to the positive impact she will continue to have on our district in this new leadership capacity.

For more information or inquiries, please contact Alex McCaul at 573-438-5485.
